

CONSTRUCTED EXAMPLE. NOT A REAL MANUFACTURER NOTICE.

Written for the Continuity demonstration. Advanced Monolithic Systems has issued no notice of this kind. The reference number, the dates and the response instructions below were invented. The part numbers are real, so that the document exercises real sourcing against real distributor data.

ADVANCED MONOLITHIC SYSTEMS

PRODUCT CHANGE NOTIFICATION

PCN reference: AMS-PCN-2026-114

Date of issue: 2026-09-01

Notification type: product discontinuance (end of life)

Customer response requested by: 2026-11-30

1. Affected product

Affected part: AMS1117-3.3 (SOT-223)

Description: 1 A low dropout linear regulator, fixed 3.3 V output

Ordering codes affected: AMS1117-3.3, AMS1117-3.3 tape and reel

2. Key dates

Last time buy: 2027-03-31

Last time ship: 2027-09-30

Orders placed after the last time buy date cannot be accepted. Last time buy orders are non-cancellable and non-returnable.

3. Reason for the change

Closure of the wafer fabrication line that supplies this device. No equivalent capacity is available at the remaining sites.

4. Recommended replacement

Recommended replacement: NCP1117ST33T3G.

The recommended part is a fixed 3.3 V low dropout linear regulator in the same SOT-223 outline. This recommendation is made on the part alone. Customers remain responsible for qualifying it in their own application, and this notice does not qualify any board.

5. Response

Direct questions and last time buy orders to your usual sales contact.
